PROFILE OVERVIEW

Master in Marketing Management student at EDHEC Business School with **2+ years** in growth and performance marketing. Skilled in SEA & SMA, campaign optimization & marketing analytics, with a strong interest in AI for search and marketing (GEO, LLMs). Fluent in English, experienced with international stakeholders, proactive, data-driven. Available from March 2027 for CDD/CDI in France.

EDUCATION

EDHEC Business School - Lille, France *Aug 2024 – Present*
Grande École, Master in Marketing Management

SRM University - Chennai, India *Jul 2017 – May 2021*
Bachelor of Technology in Computer Science

WORK EXPERIENCE

Marketing & Communications Assistant **| Calyxia, Paris** ***(Internship)*** *Apr 2026 – Aug 2026*

- Partnered with 3 business units to gather needs and build a **marketing roadmap** for each, aligned to upcoming product launches.
- Developed the **marketing campaign plan** and visuals for a newly launched product, increasing its visibility across target audiences.
- Redesigned website content, visuals and page flow (**WordPress**), increasing lead-form submissions by **5%** and client engagement.
- Managed **LinkedIn** content and performance tracking, growing post engagement and views by **10%** via a refined content strategy.

Growth Marketing Assistant **| Edenred, Paris** ***(Internship)*** *Aug 2025 – Feb 2026*

- Managed SEA and SMA campaigns (Google Ads, Meta Ads) with a **€6–7K monthly budget** across 5+ business units, improving CTR by **18%** and reducing CPC through budget and targeting optimization.
- Built automated **Power BI dashboards** tracking 30+ KPIs, cutting manual reporting time by **40%** and improving stakeholder visibility.
- Ran **A/B tests** on creatives and keywords and analyzed campaign performance (match types) to support **ROI** improvement.
- Collaborated with creative teams to produce ad visuals in **Canva and Figma** that improved engagement and brand alignment.

Social Media & SEO Executive **| Invesco Realty, India** ***(Full-time)*** *May 2023 – Jun 2024*

- Developed and optimized websites and **lead-gen landing pages**, improving content clarity and increasing lead conversion by **12%**.
- Built and ran **Meta Ads** end to end, generating leads and improving lead quality by **25%** via better creatives and audience selection.
- Owned **social media** end to end: planned the content calendar and published posts, increasing followers and engagement.

Web Developer **| EPAM Systems, India** ***(Full-time)*** *Jul 2021 – Apr 2023*

- Developed and maintained client-facing pages (**HTML/CSS/JS, React, WordPress**): product pages, checkout payment integration.
- Worked with **business stakeholders** and the design team to translate business needs into technical requirements and features.

PROJECTS AND EVENTS

- **1st Place,** Renault Business Innovation Challenge – Delivered winning GTM and monetization strategy across 3 growth segments.
- **2nd Place,** P&G Product Strategy Pitch – Designed insight-led product positioning and entry plan for a regional launch.
- **L'Oréal Brandstorm** 2025 – Co-created an AI-integrated grooming product with a cross-functional global rollout roadmap.
- **Marketing Lead,** EDHEC Indian Culture Association – Led 30-member team to execute 3+ multicultural events with 500+ attendees.
