Enhancing SPF booster and long-lasting performance

CalyCare™ Film range

Cosmic Hand Cream

A protective hand care formula combining a smooth, non-greasy finish with the formation of an invisible film to support skin comfort and daily protection.

Stardust Fragrance

An alcohol-free solid fragrance formats that evolves from a compact gel into a soft powder upon application. Stardust fragrance enhances the longevity of the scent while offering a reactivation with every touch.

Moonlight Balm

Moonlight Balm is an illuminating, anhydrous balm with a velvety texture. It melts seamlessly into the skin, delivering an instant glow while absorbing quickly to leave a smooth, lightweight veil and a soft, dry after-feel effect.
