WORK EXPERIENCE

Marketing and Communications Intern | Calyxia, Paris

Apr 2026 - Aug 2026

- Managed the company's **LinkedIn** account end-to-end, creating posts and tracking performance metrics to guide content strategy and improve engagement.
- Built the **marketing campaign plan** and visuals, brochures, and product documents for a newly launched product, increasing its visibility across target audiences.
- Led an ongoing **website redesign**, adding new pages and restructuring existing content to improve visibility and better serve corporate and Business Unit needs.
- Coordinated with **3 Business Units**, managing distinct communication needs while directing **brand photoshoots, videoshoots**, and event banner design.

Growth Marketing Intern | Edenred, Paris

Aug 2025 - Feb 2026

- Built automated **Power BI dashboards** for 30+ KPIs, cutting manual reporting time by 40% and improving visibility for stakeholders.
- Managed **Google & Meta Ads** campaigns across 5+ business units, improving CTR by 18% and reducing CPC through data-driven optimization.
- Analyzed campaign performance** to identify improvement opportunities that supported ROI improvement.
- Collaborated with creative teams to produce ad visuals aligned with brand and marketing strategy using **Canva and Figma**.

Product & Business Analyst | EPAM Systems, India

Jan 2022 - Apr 2024

- Improved website **frontend** through **HTML** and layout changes, increasing user time-on-site by 30% and session depth by 25%.
- Improved integration by **testing workflows**, documenting use cases, and coordinating feedback loops for automation enhancements.
- Collaborated in **Agile sprints** to deliver UX improvements that increased platform engagement and reduced manual work by 25%.

Social Media and SEO Intern | Invesco Realty (Startup), India

May 2023 - June 2024

- Developed and **optimized websites**, lead-gen landing pages, improving content clarity and helping increase lead conversion by 12%.
- Owned LinkedIn and social media posting end-to-end, planning content calendar, published posts, increasing followers & engagement.
- Improved **website performance** through on-page **SEO** and page optimization, refining keywords, internal linking and page structure.

PROJECTS AND EVENTS

- Marketing Lead**, EDHEC Indian Culture Association- Led 30-member team to execute 3+ multicultural events with 500+ attendees.
- 1st Place**, Renault Business Innovation Challenge – Delivered winning GTM and monetization strategy across 3 growth segments.
